

## **Field Ranger Supervisor – Baboon Management, Cape Town**

One year fixed term contract commencing 1 July 2013

The primary aim of baboon management is to prevent baboons from moving beyond the boundaries of the National Park and into the urban areas of Cape Town.

Applicants must have at least a 3 year Diploma or Degree in Nature Conservation or Natural Sciences and 3+ years' experience working in the field in a supervisory position. Experience in radio tracking animals on foot and handling weapons will be advantageous. Applicants need to be able to deal with the public and able to assist in data collection for research.

A valid code 08 driver's licence is essential. A PDP is an advantage.

Salary negotiable and will depend on qualification and experience.
