

Vacancies

The National Research Foundation (NRF) supports and promotes research and human capital development through funding, the provision of National Research Facilities and science outreach platforms and programmes to the broader community in all fields of science and technology, including natural science, engineering, social science and humanities.

The National Research Foundation invites applications from suitably qualified individuals to occupy the following critical positions within the Research Innovation and Support Advancement (RISA) business unit:

5-year contract positions, based in Pretoria

• Executive Director: Reviews and Evaluation

The Review and Evaluation (R&E) Directorate is responsible for reviews and evaluation of:

- Bursary applications
- Research proposals
- Individual ratings
- Research units
- Funding programmes of the NRF.

• Executive Director: Research Chairs and Centres of Excellence

The Research Chairs and Centres of Excellence (RCCE) is responsible for the development, planning and rollout of the DST/NRF South African Research Chairs Initiatives (SARChI) and the Centre of Excellence (CoE) programmes.

To view requirements and detailed job specifications as well as to register your CV, please go to www.nrf.ac.za/vacancies and apply online.

Closing date: 10 October 2013

Correspondence will be conducted with short-listed candidates only.

The National Research Foundation is committed to employment equity and redress.
