
INSTITUTIONAL SUPPORT FOR DESMOND TUTU DOCTORAL PROGRAMME GRANT APPLICATION

The information contained in this report is confidential and strictly for the attention of the NRF, and must be attached to the application for funding on <https://nrfs submission.nrf.ac.za>. Applications submitted without this document or incomplete forms will not be accepted. This form is downloadable from the online application but also available from the institution's Research Office.

Details of applicant	
Surname, Initials, Title	
ID Number	
University/Institution	
Position	
Staff Number	
Application reference number	

This serves to confirm the institution's commitment to support the applicant within the context of the Desmond Tutu Doctoral Programme. This support is a mandatory condition for an award to be made and constitutes part of the institution's contractual obligation to the NRF with regards to grant recipients in its employ.

The Institution hereby confirms that -

- it is able and willing to provide the necessary infrastructure to allow for the proposed research to be conducted successfully within the timeframe of the grant's operation;
- in the case of a grantholder requiring academic supervision as part of the conditions for receiving the grant, such supervision is available and will be provided to the grantholder;

- in the case of the proposed research project being funded, and requiring institutional approval of any kind, such approval will be duly granted; and
- in the case of an applicant being awarded a grant, he or she will be allowed to spend 70 percent of the time on research activities and 30 percent on work related obligations, will be granted leave and/or assistance as required and upon formal request, to allow for the periodic conducting of fieldwork or study associated with the funded research project.
