

ENVIRONMENTAL EDUCATION CENTRE

**VACANCY**  
**School Group Facilitator/Aquarium Guide**

This position requires a dynamic person with a Grade 12 Certificate. Biology/Life Science at High School level would be advantageous but is not essential as relevant training will be provided. The ideal candidate should be environmentally aware and passionate about environmental conservation. They should also have a love for working with children on a daily basis. Candidates should also possess strong organisational skills as well as excellent proficiency in oral communication. The ability to speak Afrikaans and/or Xhosa as a second language would be a recommendation.

Responsibilities attached to this position include, but are not limited to:

- Meet , greet and co-ordinate school groups
- Accompany school groups through the aquarium
- Present talks to school groups as well as Aquarium visitors
- Provide basic administrative assistance to the Education and Visitor Services
- Basic animal husbandry (aquariums) and classroom lab maintenance

Salary negotiable. Starting date: 1 April 2015

Applicants must send a 1-page letter of motivation with their c.v. to Mr Russell Stevens, Head of Education, on email [education@aquarium.co.za](mailto:education@aquarium.co.za), fax 021 418 3952 or hand-delivered to the Education Offices of the Aquarium.

**Closing time & date:** 13 March 2015

Preference will be given to candidates who will add to the diversity of our organization. The Aquarium reserves the right not to make an appointment in the event that no suitable candidates apply for the position as advertised.
