

SACNASP IN BRUMERIA, PRETORIA
requires the services of an

EXECUTIVE DIRECTOR

**To ensure quality compliance and service delivery in terms of
the Natural Scientific Professions Act (Act 27 of 2003)
through effective leadership to SACNASP and its operations.**

Responsibilities include:

- Provide strong leadership and direction to SACNASP.
- Implement Council strategy.
- Actively advocate SACNASP within the private, public and higher education sectors.
- Ensure effective governance, operational management and financial administration of the SACNASP office.
- Liaise with other professional bodies, government departments, and learned societies on all aspects of the practice of natural science.
- Advise Council on matters of policy necessary to enhance the relevance of SACNASP.

Requirements:

The suitable incumbent will require:

- A PhD degree in a natural science field, preferably with an additional qualification in business administration.
- Recognition as a scientist and a good national standing.
- Extensive executive experience.
- A minimum of eight (8) years' experience in management at senior level with evidence of participation in executive decision-making.
- A minimum of ten (10) years' experience as a practicing natural scientist.
- Excellent communication and presentation skills.

It will be an added advantage to be registered or registerable with SACNASP.

Period of appointment: This is a contract position for 5 years.

Salary: R 819 126 – R964 902 negotiable (Total Cost to Company).

Commencement: 1st November 2015 or as soon as possible thereafter.

To apply forward your full C.V. with a cover letter to ejvanrensburg@nspiresolutions.co.za by no later than 2nd September 2015. SACNASP complies with Employment Equity principles and reserves the right not to make an appointment.
